To Whom It May Concern:

I am writing to recommend C.S Orchids, Inc.

I have had the pleasure of using C.S Orchids as my primary orchid delivery company for both personal and business use for over ten years.

Not only have I been a customer of C.S Orchids for over ten years, I have also had the pleasure of knowing Carmen Segrera and can assure her love and passion for her business is evident through her customer service and display of orchids. C.S Orchids has always been professional and excelled in making me feel like a valued customer.

It is without hesitation that I recommend C.S Orchids to anyone both personally and in the work place.

If you have any questions about C.S Orchids please feel free to call me at your convenience.

Sincerely,

Guy A. Lewis
