To Whom It May Concern:

After working with Mrs. Segrera for many years and using her professional services countless times a month, it is with my absolute pleasure to give my recommendation of her floral company, C.S. Orchids. Working as luxury real estate professional, it is crucial that any thank you gifts we give our clients are received in a timely and flawless manner, and Mrs. Segrera does exactly that. She is very communicative and stands behind her work and quality of floral arrangements. She is dedicated to her clients and will always strive for nothing less than the best. Any business considering using her as their floral provider can rest easy knowing Carmen and her team will do a wonderful job.

Best,

Nancy Batchelor
