Dear Sir or Madam,

I am writing to recommend the services of CS Orchids. We have been using CS Orchids for all of our orchid arrangements for well over five years, and have always been completely satisfied. The business is owned by Carmen and Carlos Segrera, who are two of the nicest people to work with. They do an excellent job, have excellent pricing, and use only the best orchids and materials. The level of service and care we receive from CS Orchids has always been top of the line – very elegant and extremely tasteful – their arrangements are beautiful and never disappoint. Not only are the arrangements stunning but the level of customer service is five star, very personal and thoughtful. I would not think of using anyone else.

I am happy to recommend the service of CS Orchids. If you have any questions, please feel free to call me.

Best regards,

Teresa L. Encalada
